

The symposium is in the West Convention Center, bottom Floor.

We do not have any free parking lots. The parking lot that the Convention Center/City of Alb. has recommended is the covered parking lot attached to the East CC. The cost is \$8/day and there is an attendant there collecting when you enter the lot. SIP is unable to reimburse for this cost. You may ask your manager if they are able/willing to reimburse, but it is their choice as the cost of processing the reimbursement may be more than the actual cost of parking. You must have a receipt to voucher.

Please carpool.

From I-25 Southbound, take the Martin Luther King (MLK)/ Central Exit. Turn Right (West) at first light which is MLK. Merge into left lane.

Covered Parking. You can only get to this lot via westbound Martin Luther King, immediately West of Broadway. You will need to be in your left lane as soon as you pass Broadway and take this left lane onto the ramp that leads to the structure.
